

## Teacher Communication Form

Dear \_\_\_\_\_

My name is Mira Korber and I am currently providing tutoring and academic advising services to \_\_\_\_\_ to support her during her absence from school while she attends the competitive winter circuit at HITS Horse Shows in Ocala, Florida.

I am writing to request feedback on subject and learning skills areas where I can best assist this student during his/her time away from school. Can you please advise me as to any specific areas, subjects, and/or concepts that require extra attention?

If you have any questions about the services provided, please contact me directly at 443-257-9549 or [mira@blueribbonscholars.com](mailto:mira@blueribbonscholars.com).

Sincerely,

Mira S. Korber
